Section F: General Information

Primary usage of the Unrestricted OCF (UOCF) network is intended for sensitive country foreign nationals and their collaborators. Requests for access must include justification. Requests will be reviewed and approved at the discretion of Livermore Computing (LC). Users are prohibited from transferring unclassified nuclear weapons information (UCNI) or export control information into the UOCF. Placement of any other form of sensitive unclassified information (SUI) on systems in the UOCF requires previous approval by the user's management and LC.

Users must read and acknowledge the requirements set forth in this document and in the *Livermore Computing Policies and Procedures* document and agree to abide by such when using systems on the Unrestricted OCF.
